

## High Performance Longboard

---

High Performance Long Board shape.

9' x 26" with a pin tail.

Double wingers (breaks up the parallel lines of this ski.)

This model very similar to a longboard surfboard.

Trims nicely up and down the wave face for long drawn out lines.

Handles big surf wave and loves long rides.

A little longer drawn out turns than the shorter models.

Floats up to 210 pounds.

**Price: \$1250.00**

Fully equipped with footstraps, seatbelt, seatpad and fins.

Price is for epoxy resin and clear(white)surfboard finish.

Graphics start at \$30.00 Click this link for [other options](#)
